questions, and concerns while treating them as active participants in the process of learning about social and personality development. The Sixth edition of SOCIAL AND PERSONALITY DEVELOPMENT features clearly written, current coverage of social and personality development that aids students in discovering the causes, processes, and complexities that underlie developmental change. Amazon.com: Social and Personality Development ... Thus, personality development is both an individual and a social phenomenon. In the view of Erik Erikson, certain psychosocial demands, or crises, confront the individual at distinct intervals throughout life. The young adult, for instance, is expected to enter into an institution— i.e., marriage and family—that will perpetuate the society. Human behaviour - Personality and social development ... Finally, (6) for Shaffer, personality and social development stop at the end of adolescence. There is very little on the concept of identity consolidation and life beyond 18 years old. The result is a book with a flawed design, and it is not really from a human development perspective, other than the three chapters I noted above. Social and Personality Development: Shaffer, David R ... David Shaffer's comprehensive and current coverage of social and personality development goes beyond the usual to help students discover the processes that underlie developmental change—so they come away with a real understanding of causes and intriguing complexities. Students learn why development occurs (the biological and environmental factors that cause children to change and contextual ... Social and Personality Development - David Reed Shaffer ...
