language policy. It is concerned to examine not only the linguistic data, but also the social, political and economic environment in which contemporary French is used. Sociolinguistics and Contemporary French by Dennis Ernest Ager Overview. STANDARD modern French derives from francien, the name now given to the langue d'oïl dialects spoken around Paris after the disappearance of Latin. France is usually divided into three main linguistic regions: the North, where these langue d'oïl dialects are grouped; the South, where langue d'oc or Occitan dialects are spoken; and the franco-provençal area.
