Strategic leaders create a broad understanding and support for the reform vision at the highest levels. Strategic leaders bring commitment of school and district leadership to the reform vision and its implementation. Strategic leaders rely on the use of interventions to translate the reform vision into practice. Strategic leaders recognize that, for reform to be achieved, one has to start small, refine activities as needed, and provide evidence that interventions lead to desired outcomes. 34 Points on Strategic Leadership in Schools - The Edvocate Strategic school building leadership is important because education in the 21st century is a new frontier, and 21st century learners are

a new breed. Many of the students going through schools since 2015 are from a whole new generation: Generation Alpha.
