evolving. Better aligning and integrating community-based programs to support discharge from admitted services ... Planning the future of Victoria's sub-acute service system care [kār] the services rendered by members of the health professions for the benefit of a patient. See also treatment. acute care see acute care. admission care in the nursing interventions classification, a nursing intervention defined as facilitating entry of a patient into a health care facility. adult day care a health care service provided for ... It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but

unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
