lehmanns.de The Encyclopedia of Money, 2nd Edition von Larry Allen ... Early American currency went through several stages of development during the colonial and post-Revolutionary history of the United States. Since there were few coins minted in the Thirteen Colonies, that later became the United States, foreign coins like the Spanish dollar were widely circulated. Colonial governments, at times, issued paper money to facilitate economic activities. Early American currency - Wikipedia Unequaled in its combination of authoritative scholarship and comprehensive coverage, International Encyclopedia of Education, Third Edition succeeds two highly successful previous editions (1985, 1994) in aiming to encapsulate research in this vibrant field for the twenty-first century reader. Under development for five years, this work encompasses over 1,000 articles across 24 individual ...
