- Charles A. Rapp; Richard J. Goscha ... Strengths Model This therapeutic model
follows an eight-stage approach. The importance of a systematic model is that
clients can map their progress from one stage to the next, which is important in
early recovery, where targets and goals should be thought about in small,
measurable and achievable ways. Addiction Rehab Strengths Recovery Model -
Oasis Rehab Rick Goscha, PhD. The Strengths Model is a recovery-oriented,
evidence-based case management model developed by Charles Rapp and
colleagues at the University of Kansas School of Social Welfare. It was developed
in the early 1980's in response to traditional mental health approaches that often
focused on pathology and diagnosis, held low expectations for what people with
mental illnesses could achieve in their life, and frequently used stabilization and
maintenance as measures of success. Strengths Model Case Management -
