remarkable transformations that have occurred in the urban landscapes of Toronto, especially over the last fifty years as it has grown from a provincial industrial city into multicentered, multicultural, world-city region that is one of the largest metropolitan areas in North America. Toronto – Transformations in a City and Its Region ... Extending a hundred miles across south-central Ontario, Toronto is the fifth largest metropolitan area in North America, with the highest population density and the busiest expressway. At its core old Toronto consists of walkable neighborhoods and a financial district deeply connected to the global economy. Newer parts of the region have downtown centers linked by networks of
