AM Towards A Uniform International Arbitration Law A uniform approach to confidentiality of international commercial arbitration is possible. The best way to achieve it would be through harmonization of national arbitration laws which should impose a confidentiality obligation subject to certain exceptions. Towards a Uniform Approach to Confidentiality of ... First, as an objective exercise, I will briefly define the scope of the topic and identify the uniform principles with regard to the public policy that currently limits or shapes international arbitral procedure.¹ Then, as a prescriptive exercise, I will comment on how the international arbitration community--meaning not only the institutions but also the arbitrators and the practitioners themselves--safeguards those principles in conjunction with the ever-present goals of (i) preserving the ...
