Vilter Compressor Spares Hello all, The other day I was checking the pressure switches on some Vilter 450 series compressors. All were six cylinders and all were gas unloaders. I had 2 machines that would not unload. The solenoid coils were energizing. These 2 machines had Hansen HS2 solenoid valves installed as the

unloader valve. This is the first time I have seen this valve used for that. Vilter compressor unloader valve [Archive] - Refrigeration ... slide moves from positions of 20% to 100% of flow to allow the compressor to match the system flow requirements. Although lower flow rates are possible, they are not recommended since this reduces the amount of oil flowing through the gas end and may result in overheating. The volume slide allows the discharge port to be positioned in the optimum location depending on the capacity slide ...
