Is the W220 and W211 NTG firmware different? The engineering mode doesn't seem to work though, so I can't check which version I have. I have an old map for my navigation (2007?), do I have to update the nav dvd-player individually, or should that be updated with newer maps? For the COMAND I found these: Librivox.org is a dream come true for audiobook lovers. All the books

here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.
